 1. HSA testing began today. Free breakfast was opened up to students in grades 3, 4, 5. About 150 students per day took up the offer. There were no tardies today for the first day of testing with only 6 children absent.

2. Alternative External Funding. Kawai is currently working on a grant to renovate the H-playground. Heather wrote for a grant from the military specifically for transitions. Usually the funds for this grant are used to purchase furniture for the formal transition center. Since Uka does not have a transition center, Heather asked if she could purchase \$15,000 worth of equipment and materials to create (DVDs) for a welcome video for from the school's point of view for the parents and students.
